## From your Commodore

It was wonderful to see the turnout of long time and new members for the Valentine Brunch on February 11th. If we didn't have a record turnout it was very close. A big thank you to Melody for making it all happen.

We are looking forward to on the water cruise to Hadley's in celebration of St. Paddy's Day March 10,11,12. I will be cooking my nearly world-famous Corn Beef and cabbage. Betty and Cliff have an entertainment plan you don't want to miss. If you haven't already signed up on the evite there's still time.

The Shakedown cruise is 5 weeks away it's time to be getting your boat ready for the 15 scheduled cruises ahead. Shake Down at St. Helens City Dock March 24,25,26. New boats and new member boats will be Christened. Vessel inspections.

As I write this it's Thursday after the February General meeting which was held via zoom due to the weather. Here in Cornelius we have 8" of snow on the ground and 25\* at 10am. The wood stove is going it's nice and warm in the house. I hope everyone is staying home and off the roads. By the time you read this it will all be over and back in the 40 and good old rain.

**From your First Lady:**

Hello NOTS

We are off on a good start to this year adventures.

We had a very nice brunch for Valentine's Day at the Portland Yacht Club. It was well attended, with good food and good company. The decorations on the tables were very pretty. Thanks, to Betty and Melody for organizing this great afternoon.

Our next adventure is at Hadley's Landing for St. Patrick's. We'll have some Irish fun and good food. Ray will be making his famous, Corn Beef and Cabbage. It's pretty good stuff. Come and join Betty, Cliff, Ray and I for some Irish fun. Bring your green.

Next adventure is at St. Helens city docks. It's our Shakedown Cruise. So, get your boats ship shape for the yearly safety inspections. Commodore (Ray), will be christening boats for our club members, that have new boats or new members. Saturday, the club plans to have Pizza. Yummy !!!

Another adventure, coming up in May. It's boating Open Day. Come and join us in a parade boats.

So, it looks like there are many adventures to choose from. Come and join in the fun.

Hope, everyone is keeping safe and warm, in this crazy weather.

Hope, to see you out on the water soon.

First Lady, Jennifer G
