February 2024

From your Commodore:

I hope all the club members, their families, their homes, and boats survived Storm Imogene. Leslie and I were fortunate that we never lost power and had 3 great days of sledding with the neighbor kiddos.

It's a new year and with it the club has made a change in our meeting dates. We are now meeting every other month. Our next meeting is March 27th, then May 22nd, July 24th, September 25th, and finally November 20th. Please mark your calendars.

The meeting location stays the same at Multnomah Channel Yacht club in Scappoose, OR. The time stays the same with board meetings at 6:30 pm and general meetings at 7pm. ZOOM will also be available at the meetings. If necessary, the board will meet on the off months as well.

Rob Davison has started work on the club roster. If you have any changes to your information, please let him know ASAP. Katie, Colleen, and Tina are busy organizing the Commodores Ball; March 23rd. This will be at Portland Yacht Club and the theme is "Tropical cruising".

Our first cruise is a Drive-in event. It is a Valentine's Day luncheon at Portland Yacht Club. Let Melody know if going ASAP using your EVITE as there are only about 30 seats available.

Next cruise is March 15-17th at Hadley's landing, celebrating St. Patrick (our own dear Ray Gump will again stand in for Paddy). Ray will be cooking his famous Corned Beef. He is looking for a co-host. The Shake-down cruise follows this April 5-7th at St. Helens City dock. Hosted by the Commodore. New boats to the club that are present will be christened into our club Sunday morning.

If any club members are thinking of venturing North to the Puget Sound area or farther North this coming summer, it's time to start your planning. Mike and Chris Kondrat are headed to the Haida Gwaii Archipelago in BC. If you're interested in venturing that far North give Mike and Chris a call. Leslie and I will be in the San Juans and Gulf Islands. If you're going to that area, give me a call and maybe we can anchor up.

We have many cruises with No Host or Leaders. If you are interested, please get a hold of Melody Teneffoss or Betty Echols and get yourself on the schedule. There will be a "Guide for a Cruise Leader" in this year's Roster as well on the website and in the Anchorline.

See you all hopefully out on the waters soon,

Commodore Joe.

NEW YEARS CRUISE – St. Helens

Mike and Chris Kondrat:

At St. Helens there were 4 boats and one drive in for the last and first cruises of year 2023. Surprisingly the weather was dry but a bit cool. Nice to have dock power for the heaters. We saw over 17 eagles on our way down from our marina. Nice way to end the year.

We dined at the Plymouth Pub, since the other restaurants were closed for the weekend. □ We enjoyed dinner and received some great party favors from the restaurant. (see picture) Thank you Gumps for driving in to celebrate with us. I don't think any of us were awake at midnight.

The following morning, brunch was aboard Aqua Therapy and included a delicious butternut squash and sausage frittata. Email Chris if you want the recipe. Happy New Year to the rest of the club members and see you on a cruise.
